'COLD WEATHER' RIDE—Mrs. Don Elmore rides Snip around the barrels Sunday in the West Texas Barrel Racers monthly meeting held at the Hamlin Riding Club Arena Sunday. Mrs. Elmore, like some 34 other barrel riders, just bundled up and rode Sunday in spite of the blustery, cold weather. (Photo by Tim Jones)

## Former Teacher, Leslie Mae James, Dies Here Thursday

Miss Leslie Mae James, first grade teacher here for 32 years before her retirement in 1956, died at 8:30 p. m. Thursday at Holiday Lodge.

Miss James, a native of Belton, began teaching here in 1925. She received a B. S. degree from McMurry College, Abilene.

A longtime member of the First Methodist Church, services were held there at 10 a. m. Saturday with the pastor Rev. Royce Womack, officiating.

Burial was in North Belton Cemetery, Belton. Graveside rites were held there at 5 p. m.

Survivors include two nephews, Robert N. Newman, James K. Newman, both of Abilene; two nieces, Mrs. Ray Crowell of Abilene, Mrs. Frank Scott of Yucaipa, Calif.; a sister-in-law, Mrs. O. W. James of Brownwood; and eight grandnieces and grandnephews, all of Abilene.

Pallbearers were Wesley Nail, C. L. Howard, D. D. Crow, Cleo Pettit, B. V. Newberry and Ed Duncan.

## Bridge Turney Planned Sat.

The Hamlin Bridge Club is staging a bridge charity benefit tournament here Saturday at the Hamlin High School Gymnasium with sessions at 1:30 p. m. and 7:30 p. m. Proceeds will go to the United Fund.

The tournament has local rating and will be directed by Mrs. Mabel Lillius of Abilene.

A charge of \$5 will be made for two sessions and the evening meal. A single session will be \$2.

## Bridge Winners

Winners in Tuesday's Hamlin Duplicate Bridge Club meet were Mrs. Garda Ragsdale and Mrs. Preston Morrow of Rotan, first; Mr. and Mrs. Starr Inzer, second; Preston Morrow of Rotan and Mrs. Floyd Briscoe, third.

## New Loan Program to Aid Rural Families Improve Income Started

A new loan program, recently announced by the Farmers Home Administration, is designed to help rural families finance enterprises that will improve their incomes, according to Kirby Clayton.

The FHA County Supervisor, J. C. Hays, has informed County Agent, Kirby Clayton, that the new loans are a part of the Economic Opportunity Act of 1964. They can provide up to \$2,500 for up to 15 years at a 4 1/8 percent interest rate. Rural residents can get the loans on the basis of their ability and character.

Non-farm rural residents can use the same plan to finance a small business, trade or service. This includes loans to set-up such things as small repair shops.

Another provision of the new FHA program provides loans to establish cooperatives for processing, marketing and other services of benefit to farmers.

Anyone interested in additional information about the new loans should contact their county FHA supervisor, located at the Post Office Building or their County Agricultural Agent in the Court House.

## 1964 Rated Banner Year as Retail Sales Show Gain in County

(Special to the Herald) NEW YORK - For Jones County's retail stores, 1964 was a banner year as local residents, armed with fatter pockets, spent generously for goods and services.

Most lines of business were able to post new, all-time records, according to the latest market data report.

It shows that the average consumer was willing to spend more to live better. He ate finer cuts of meat, bought more expensive clothes, went more frequently to the movies and to sporting events and got more gadgets for his car.

The details are from the comprehensive study of consumer buying made by the Standard Rate and Data Service on the basis of Federal, state and local reports.

The building has undergone extensive remodeling and expansion.

It reveals, for every section of the country, just how the average family distributed the money remaining to it after taxes in the past fiscal year.

In Jones County, a major

portion of the retail dollar went for food and for automotive equipment and supplies. They accounted for 66 percent of all disposable income.

The total amount that was spent in these directions came to \$19,468.00, as compared with the previous year's \$17,947,000.

Of this, \$6,384,000 represented purchases in meat mar-

ket, bakeries and other local food stores. The figure does not include money spent in restaurants.

Sales of cars, boats and other automotive equipment came to \$9,661,000. Outlays for gas, oil and services at filling stations added another \$3,433,000.

The rest of the retail spending picture in Jones County appears in the totals chalked up by the other types of stores.

Most of them showed increases over the previous fiscal year.

Among them were general merchandise establishments,

with sales of \$1,841,000, shops specializing in wearing apparel,

\$1,167,000, home furnishings stores, \$1,060,000, and drug stores, \$898,000.

The total volume locally, for retail businesses of all kinds amounted to \$29,645,000, which topped the previous year's figure of \$27,932,000.

It was at the rate of \$4,868 per local family. It compares with \$4,470 per family in the United States.

## First Baptist Church Leaders To Hear Dr. R. Hooper Dilay Mar. 5

Dr. R. Hooper Dilay will address the elected leadership of the First Baptist Church Friday, March 5, 7 p. m. A covered dish supper will precede the program to be held in the Fellowship Hall of the church.

As director of the church division for the State Missions Commission of the Baptist General Convention of Texas "Dr. Dilay is well qualified to present information and inspiration to church workers in all phases of its organizations, he has been asked to challenge the leadership of the church to efficient and dedicated service," reports the pastor, Rev. Bryon Bryant.

Dr. Dilay has served in church administration for forty years in churches at Amarillo, Port Neches, Port Arthur, and Wichita Falls. After ten years with the First Baptist Church of Wichita Falls, he accepted the position of associate secretary of the Texas Baptist Sunday School Department, and later served as secretary of the state Baptist Training Union Department. He then became director of the church services division and co-ordinates the

programs of the Texas Baptist Sunday School, Training Union Church Music, Brotherhood Departments, and the church library Service. He also helps in co-ordinating the programs of the Woman's Missionary Union of Texas.

The church services division is one of four major administrative and organizational divisions within the State Missions Commission.

## Cold Front Drops Temperature Down to 12 Here

A cold front moving into the Hamlin area Tuesday brought a real touch of winter with high winds and temperatures that dipped to 12 degrees southeast of town early Wednesday morning.

Low temperatures were reported all over the state caused by the massive storm that hit Texas and extended from northern Illinois and Iowa south into Texas and eastern New Mexico.

Drizzle, sleet and freezing rain were reported in other sections but not in the immediate Hamlin area.

An eight-inch water pipe on Southwest Avenue B burst at 12 midnight Tuesday. The water was cut off and city workmen started early Wednesday to repair the broken pipe. Service was restored in the area by 9:30 a.m. according to Bill Rountree, water superintendent.

Temperatures in town registered 19 degrees at midnight and dropped to 15 in the early morning hours.

## FFA Judging Team Wins A Third in Odessa Contest

Five members of the Hamlin Future Farmers of America Chapter entered the Odessa FFA Invitational Livestock Judging Contest Saturday. The boys, Randy George, Wayne Gruben and Richy Acklin, team members, Reginald Wells and Bobby White, alternates, were accompanied by Milburn Wink, vocational agriculture teacher.

The boys competed with some fifteen other teams from various FFA Chapters and 4-H Clubs from West Texas.

Fat swine, breeding swine, fat lambs, and breeding ewes were judged. Also a group of feeder calves were graded.

The team placed third in the grading part of the contest.

Randy George was high individual in grading with a score of 95 out of a possible 100. Wayne Gruben was seventh in grading.

A total of 79 boys judged in the contest.

## Attend Easter Seal Workshop at WTRC

Representatives of Beta Sigma Phi sorority attended the Easter Seals workshop and luncheon at the West Texas Rehabilitation Center in Abilene last week.

Mrs. Guy Weaver represented the Beta Theta Chapter and Mrs. Bill Feagan the Xi Gamma Pi chapter.

The annual house to house drive will be staged here April 16 and is sponsored locally by the two Beta Sigma Phi chapters.

Guests over the week end in the home of Mr. and Mrs. W. C. Eoff and Clifford were Mr. and Mrs. Dalton Dunn of Fort Worth, Mr. and Mrs. Mike Marshall of Dallas. Everyone visited Sunday in the home of Mr. and Mrs. Claude Smith and Claude Thomas in Abilene and also attended the A.C.C. Lectureship which is now in progress.

## Schools Set Open House Tuesday

Open House will highlight the activities for Public School Week in the Hamlin School system, according to C. F. Cook superintendent, although he said that the schools will be open all week for parents to visit at any time.

The Open House is planned for Tuesday evening starting at 6 p. m. at primary, elementary and junior high school and at 7 p. m. at high school. No night is planned this year by the De Priest School. Parents are urged to visit there on Wednesday or Thursday and see the school in operation.

Exhibits of teaching materials, library facilities and other phases of school activities will be on display Tuesday evening.

In announcing the school's plans for taking part in the Annual Texas Public Schools Week, Cook issued the following statement in regard to the local school system:

"March 1-5, by proclamation of the Governor of Texas, is Public Schools Week in Texas, and it will afford Hamlin residents an excellent opportunity to go into the classrooms and form their own opinions of the character and quality of performance their dollars have purchased. I think they will come away convinced, as we are, that Hamlin has a good system and a sensible educational balance in a time when the schools in general are being subjected to wide-

"In the latter respect, I think that the Hamlin School System will not be found lagging. On the contrary, I believe that visitors who have the benefit of knowledge of school systems will find the Hamlin Schools firmly anchored to the proven and traditional principles of formal, basic education, yet flexible and progressive enough to reach the expanding demands of our people.

"To do many things for many students, and in the process to inculcate the principles of responsible citizenship and democratic life, all without losing sight of the compelling requirements for solid, fundamental learning, is no inconsiderable objective for any school system. Especially is this true when many of them suffer from inadequate financing and public indifference or uninformed criticism.

The sixth grade classes will have on display in each home room exhibits showing class work in health, language, math and science.

The seventh grade classes will show pupils work plus book reports, original poems, model displays based on American History and science displays on space and weather.

The eighth grade will exhibit notebooks, charts and posters on Reading Skills.

Equipment to be displayed will be an overhead projector, a micro projector, science experiments, and a portable movie projector.

The art department will show samples of their work in ceramics, weaving, leather, pen and ink drawings and pastel paintings.

PRIMARY

The primary building will be open at 6 p. m. for parents and others to see the work being done by the first, second and third grade pupils.

The leaders expressed their appreciation to all those who have aided the girls in their annual candy sale. The Sale ends Saturday.

Members of the Camp Fire Girls Leaders Association met last Tuesday to set March 26 as the date for the annual Dad-Daughter banquet. Mrs. G. W. Kincaid, chairman, presided.

The Hamlin High School Stage Band will present entertainment for the program.

The leaders expressed their appreciation to all those who have aided the girls in their annual candy sale. The Sale ends Saturday.

"Make it a point to visit your schools during this Public School Week."

ATTEND STAGE BAND CLINIC — Four members of the Pied Piper Stage Band and their director, Tim Jones, attended the Texas Christian University's Stage Band Clinic this past weekend in Fort Worth. The U. S. Air Force Band's Airmen of Note Stage Band was featured at the clinic group. Pictured left to right are—John Osburn, Jimmy Hastings, James Knabel, and David Drummond.

# OLD GLORY...

By JUDY WHITE

The mid-winter meeting of the Stonewall County Teachers Association was held Monday night, Feb. 18, in the Old Glory Cafetorium, with the Old Glory teachers as hosts. Colors of red, white and blue were used to emphasize the Patriotic theme in table decorations.

James L. South introduced the speaker, Dr. Verna May Crutchfield, head of Special Education and Speech Therapy at Hardin-Simmons University. Dr. Crutchfield spoke most interestingly about her travels in the Communist Bloc countries. She was part of a teacher group that visited schools and universities in those lands.

Approximately thirty guests attended. The meal was catered by George Frazier of Aspermont.

Mr. South and Mr. Verner were elected by the members to serve as delegates to District VII Teachers Meeting at Vernon in March.

Plans are being made for a March of Dimes benefit set for Thursday night, Feb. 25. Entertainment will be an "outsiders" vs. the faculty (and other recruits) basketball game in the Old Glory gym. Coffee and refreshments will be sold for additional MOD benefit.

J. L. South, superintendent of Old Glory School, has been given a new two year contract. His contract now extends to June 30, 1967.

A trustee election for Old

Glory School District will be held on April 3. Three trustees will be elected.

Terms expiring are G. F. Spitzer, Oren Baldwin and Jack Jones. Jones and Baldwin will seek reelection, but Spitzer has declined to run again. George Rhoads has also filed for reelection.

Terms of county board members expiring this year are Louis Spitzer, Prec. 1, and W. D. Thornton, Prec. 2. Both precincts include a part of the Old Glory District.

A comedy entitled "Sunday Costs Five Pesos" has been selected as Old Glory's one-act contest play this year.

Tryouts were held on Tuesday afternoon of last week. Those taking part were Kay Myers, Judy White, Clifford Gholson, Linda Newman, Danny Lammert, Gary Moore, Merrilyn Flow; they were assisted by Linda Gholson and Carolyn Sander. Not all the parts were contested.

Those named to the cast were Danny Lammert, Linda Gholson, Linda Newman, Donna Pierce, Merrilyn Flow, with Gary Moore as announcer. Mrs. Maxine Klump will direct the play.

Tryouts judges were Mrs. Burle Jameson, Mrs. Travis Beil, and Mrs. Henry Pumphrey.

Mrs. H. E. Carr went home

Mr. and Mrs. Herbert Klump and Mrs. Adele Dudensing were visiting in Abilene last Saturday. The Klumps visited with their sister and husband Mr. and Mrs. Ed Mischer. Mrs. Dudensing visited with her daughter and family, Mr. and Mrs. Charles Goddard and children.

Jack Doty of Las Vegas, Nevada, joined his wife here last week. Mrs. Doty has been here several weeks visiting with parents, Mr. and Mrs. W. G. Wienke.

Visitors in the home of Mr. and Mrs. Sandy Leverett last Sunday were his parents, Mr. and Mrs. V. R. Leverett, Sharon and Jimmy of Abilene, Mr. and Mrs. Ronald Mathews, Fort Worth; also her parents, Mr. and Mrs. John L. Garner, Lisa Johnny and Beverly of Aspermont; Mr. and Mrs. Kenneth Smith of A. C. C.

Mrs. V. R. Leverett and Sharon also visited with Mrs. Bernice D. White and Judy. Kenneth Smith of A. C. C. was substitute minister Sunday for Gene Linder at the Church of Christ here. Mr. Linder had an emergency appendectomy in Abilene Saturday night.

Mr. and Mrs. John McGowen and children of Knox City visited Mrs. McGowen's parents, Mr. and Mrs. Adelbert Suter last Sunday.

Mr. and Mrs. Felix Amberiz of Hamlin are the parents of a girl born Feb. 18 at 8:55 p.m. She weighed 8 lbs. 1 oz. and was named Reta.

## Mrs. Wilson Brannon Selected Beta Theta Chapter Queen

Mrs. Wilson Brannon was chosen Queen of the Beta Theta Chapter of Beta Sigma Phi at the annual Valentine party held in the home of Mr. and Mrs. Guy Weaver Saturday evening.

Mrs. Brannon, was presented with a corsage and Queen's pin by her chapter sisters.

Mrs. Brannon (Letha Raye) is a homemaker and bookkeeper for her husband's business, Brannon Lumber Co. The couple has one daughter, Lynn, a sophomore in Hamlin High School. Her hobbies are golf, bridge and club work.

A member of Beta Sigma Phi since 1955, she has held numerous offices in the chapter and is presently serving as director.

She is a member of the First Baptist Church and is secretary of the Alethean Sunday School Class.

Following a buffet supper,

MRS. WILSON BRANNON  
Beta Theta Chapter sweetheart

games of bridge, dominoes and forty-two were enjoyed during the evening. Prizes were awarded to John Ferguson, a guest, and Mrs. Billy Joe Wilson.

Others present were Messrs. and Mmes. Jerry Larned, Billy Joe Wilson, Leldon Clifton, Dewey Nunley, Roy Eisenback, James Harrison, Holly P. Toler, D. C. Andrews, W. A. Hawkins, Jack Willingham and Mrs. Suzanne Rowland.

Out of our public schools come the future leaders of our country. Pay tribute to the schools during the week of March 1 through March 5, 1965. That's Public Schools Week, and a fine time for all Texas citizens to go back to school for a day.

Call your news to the Herald.

## Xi Gamma Pi To Meet Today In Cassle Home

Xi Gamma Pi chapter of Beta Sigma Phi will meet in the home of Mrs. Arlie Cassle Thursday (today) at 4 p.m.

The last chapter meeting was held Feb. 11 in the home of Mrs. Gerald Young. The program, "Understanding Art," was presented by Mrs. C. Weldon Griggs.

During the business session, with Mrs. E. D. Perrin, president, presiding, the following members were elected to the nominating committee: Mrs. Young, Mrs. E. J. Hawkins and Mrs. Cassle.

Eight members were present.

## Mrs. C. B. Owens Gives Beta Theta Program Feb. 17

Mrs. C. B. Owens presented a program on sculpture for the Beta Theta Chapter of Beta Sigma Phi which met in the home of Mrs. Holly P. Toler, Wednesday, Feb. 17.

Mrs. Owens was introduced by Mrs. Wilson Brannon, in the absence of Mrs. Fred B. Moore Jr., program chairman.

Models made of papier-mache and clay by Mrs. Owens depicting Bible characters were shown. She also told of the early history of sculpture.

At the close of the meeting a surprise pink and blue show was given Mrs. David Casey. Others present were Mmes. L. C. Bonds, Leldon Clifton, W. A. Hawkins, W. T. Johnson, Tim Jones, Jerry Larned, Dewey Nunley, Sam Walker, Guy Eisenback, James Harrison and Suzanne Rowland.

## Mrs. Bill Shira Hosts Friday Meet Of Literary Club

Mrs. Bill Shira was hostess for the Friday afternoon meeting of the Woman's Literary Club when Mrs. Richard Young directed a forum discussion of the signers of the Declaration of Independence.

Mrs. Young, assisted by Mrs. Byron Bryant and Mrs. Tarleton Willingham, presented "They Signed For Us" by Merlin Sinclair and Annabel D. McArthur, giving the events preceding and up to 50 years following the signing of the Declaration of Independence.

The program was closed with the reading of "The Gift Outright" by Robert Frost.

The pecan is the state tree of Texas.

## First Methodist Church WSCS Circles Hold Monthly Meetings

Members of the Woman's Society of Christian Service of the First Methodist Church met this week in regular monthly circle meetings.

afternoon.

The program, "Spiritual Self Discipline and the Life Within" was led by Mrs. Jack Vaughan, circle chairman.

Mrs. A. B. Carlton opened the meeting with prayer. The closing prayer was given by Mrs. Vaughan.

Nine members were present. Twenty-three visits to shut-ins were reported.

The hostess served refreshments.

The McBride Circle met with Mrs. Jerry Waggoner at 10 a.m. Tuesday.

Mrs. James Harrison, circle chairman, opened the meeting with prayer and presided during the business session.

Mrs. Charles Tugwell presented the program entitled "Keys to Happiness."

Seven members were present. Twelve visits to shut-ins were reported.

The meeting was closed with prayer by Mrs. W. A. Hawkins. Refreshments were served.

## County HD Council Elects Delegates To District Meeting

Mrs. Frank Carter

The Jones County Home Demonstration Council met in the County Agent's office in Anson February 17 and elected delegates to the District 3 Annual Meeting to be held April 15 in Childress. Those elected were Mmes. H. A. Haynes, H. H. Dunklin and Frank Carter. Alternate delegates elected were Mmes. Orville, M. E. Carothers and Ab Hunter Jr.

The Clubs voted to adopt the Recommendations of the Standing Committees of Council. Club Programs were on "The Art of Making Friends". The Clubs reported making donations to the March of Dimes.

Mrs. Mary Newberry, the County Home Demonstration Agent introduced Miss Barbara Marsee of Breckenridge, who will be an agent in training for 3 months. Miss Marsee is a recent graduate of Texas Woman's University, Denton, where she was a Home Economics major. Mrs. Newberry also announced a Leader Training Meeting on Quick Dishes, in her office March 4 at 10:30 a.m. Each club member attending will take a quick dish and the recipe for it. Mrs. Newberry will attend a Family Life Workshop at A and M University March 7-13.

The Clubs voted to adopt the Recommendations of the Standing Committees of Council. Club Programs were on "The Art of Making Friends". The Clubs reported making donations to the March of Dimes.

Mrs. Young, assisted by Mrs. Byron Bryant and Mrs. Tarleton Willingham, presented "They Signed For Us" by Merlin Sinclair and Annabel D. McArthur, giving the events preceding and up to 50 years following the signing of the Declaration of Independence.

# YEARS AGO...

## FORTY-FIVE YEARS AGO

G. J. Jenkins and Ross Dillard have opened a new barber shop in Hamlin.

G. R. Bates just can't keep out of the restaurant business. He has had the Hix building overhauled and opened for business this week.

G. H. Baker of Hillsboro was checked in last week as new agent for the Katy Railroad at Hamlin. He replaces G. R. Phelps, who has been transferred to Dublin by the railroad.

## THIRTY-FIVE YEARS AGO

Saturday afternoon at the home of Mrs. C. C. Prater a pretty party was given when Mrs. Prater and Mrs. A. E. Pardue were joint hostesses for a shower honoring Channie Walker whose marriage to Floyd Carlton will be solemnized Feb. 23.

Mr. and Mrs. P. L. Keller of San Angelo spent the weekend with Dr. and Mrs. A. E. Pardue.

Friday evening at the home of Dr. and Mrs. P. A. Fowler Mrs. W. C. Russell presented her piano pupils in a recital. Taking part on the program were Eva Louise Fowler, Robert Fowler, Elma Joy and Clydene Wilson.

Mrs. S. K. Dillard, who has been in Marlin for the past two weeks is reported improved and will return home next week.

Mrs. Tom McGuire and son Walker, left Wednesday for Los Angeles, where they will visit for six months or more.

bright

and shiny extension telephones—available in seven smart decorator colors—can brighten up any decor (save you time and steps, too). Fine for the living room. Practical in the bedroom. Great for the den. Cost a lot? No. Nowadays you can have two phones for just a fraction more than one.

SOUTHWESTERN BELL

at the annual business session of the group last Thursday. Another major highway improvement in the area has been projected between Hamlin and Anson on Highway 83. The five-mile curve southwest of town will be redesigned to one degree.

Five charter members of Hamlin Rotary Club, Elmer Feagan, C. G. Green, Bowen Pope, Tate May and W. A. Albritton, will be honored at a ladies night program Friday night.

## FIVE YEARS AGO

Mrs. Lesley Shelburne was honored with a farewell tea by members of the Althean S. S. Class of the First Baptist Church in the home of the teacher, Mrs. Tate May. She and her husband and eight children moved to Snyder to be near his work in the building contracting business.

Approximately 60 basketball players were honored at a banquet at the Oil Mill Guest House prepared and served by mothers of the players. The banquet honored the players and Neil Laminack, boys' coach, and Ed Farmer, girls' coach.

Hamlin for Christ Day slated to fill city churches Sunday. De Priest Colored School Advanced to Class A rating.

Ford Division today introduced the Econoline SuperVan newest and biggest member of the Econoline family which has paced compact truck sales since its introduction in 1960.

"SuperVan -- Econoline's 'big brother' -- is another Ford first and everything its name implies," said Donald N. Frey, Ford Motor Company vice president and Ford Division general manager. "It is a 'super' Econoline Van, with all of Econoline's popular loading, hauling and economy features but enlarged to meet the extra-space requirements of many businesses."

Mr. Frey said the new vehicle reflects Ford's "continuing efforts to provide the American public the widest possible variety of utility and fun vehicles, including adaptation of a wide variety of light trucks for recreational and travel purposes."

The SuperVan offers new advantages to the growing number of Americans forsaking their comfortable homes

The training place for Democracy is our public schools. Take a look at the technique used by our teachers during the week of March 1 through March 5, 1965, designated by the Governor as Public Schools Week. Plan a visit to a school, meet the teachers, the football coach and the principal. The doors are always open and you are certain to receive a hearty welcome.

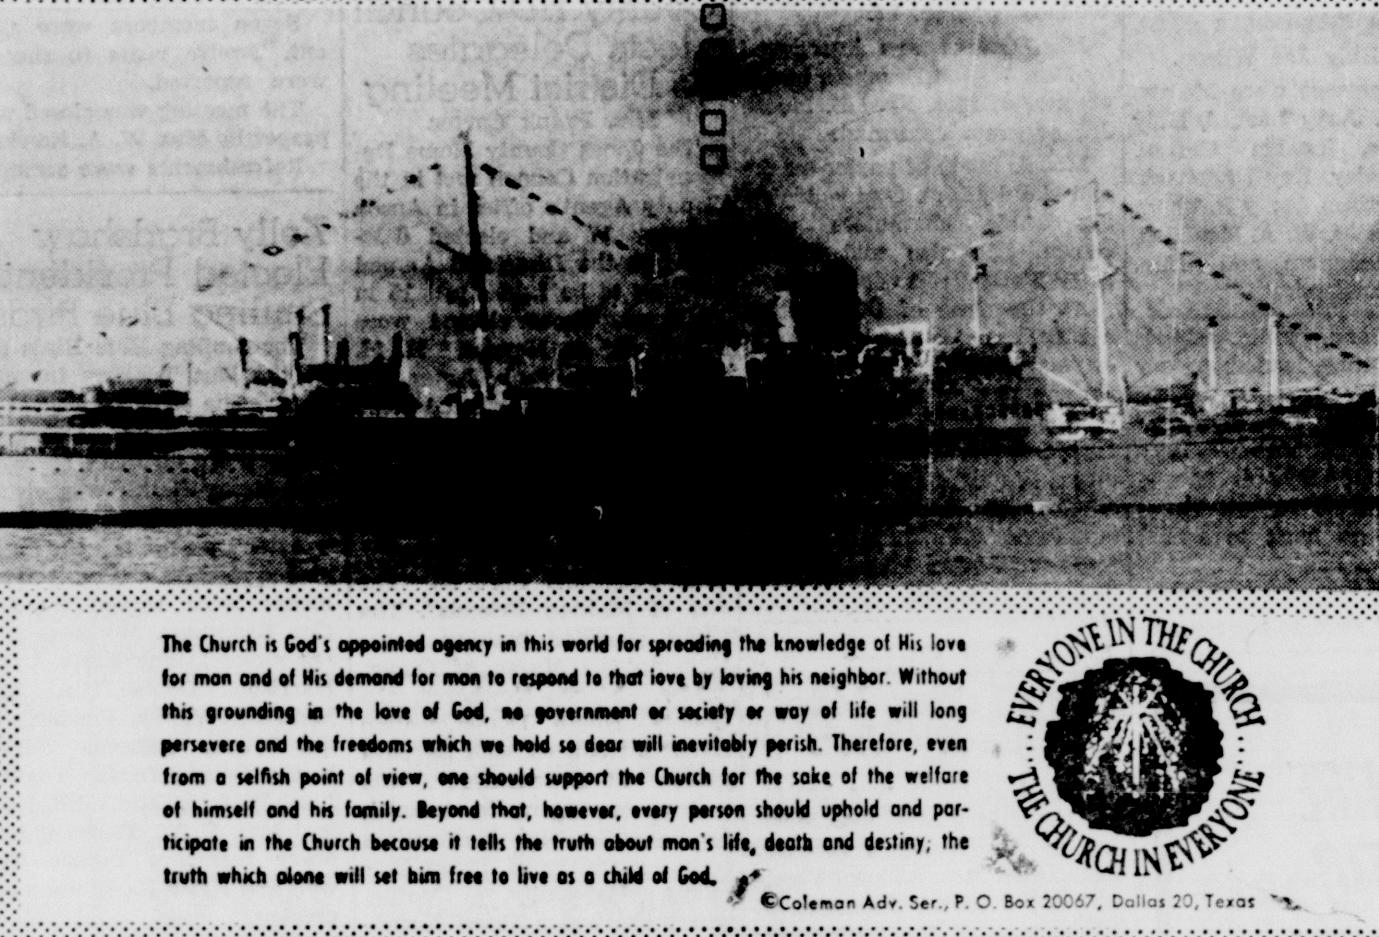

# CRUISE IN THE OFF-SEASON

Although most people prefer to take their cruise during the peak of the season for all the glamour, excitement, and crowds it offers, others enjoy the quiet and restfulness of the off season cruise. Tourists are not present in such great numbers; interesting places can be visited more leisurely and at greater length.

Some people prefer to pray only when they are in church or at some great public gathering where the prayers are led for them. But our Lord said to pray in the "off-season." He

said, "But thou, when thou prayest, enter into thy closet, and when thou hast shut thy door, pray to thy Father which is in secret; and thy Father which seeth in secret shall reward thee openly." The real joys of prayer are truly found when you are praying alone with God. The scripture says to be instant in season and out of season.

The church would encourage you to pray both in church and at home. Prayer can uplift, support, and strengthen our churches, ourselves, and our country.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny, the truth which alone will set him free to live as a child of God.

## PUBLIC NOTICE

The Hamlin Independent School District on August 8, 1964 adopted the following policies in regard to desegregation of the Hamlin Independent School District.

The Board states the following:

"No student in the Hamlin Independent School District shall on the ground of race, color or national origin, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving federal financial assistance."

Therefore the facilities of the Hamlin Independent School District are made available to any person of school age, regardless of race, color or national origin.

—HHS—

Ugh! Dead week is here again! Students are busy studying, and teachers are working to make out tests. Man, everyone has to make a good grade on that six weeks test! Surely it is needed!

## FAIRVIEW NEWS

By MRS. ELMER JOINER

by Mrs. Elmer Joiner. News is still about the scariest thing we know of, out our way, this Monday morning.

Seems like if you aren't sick yourself, all of your kinfolks are, so that is about all any one knows. Was able to be in church myself, Sunday morning, but there were a lot that were absent, didn't even have a pianist and hardly enough to carry on.

Mrs. Kenneth Leverett has been sick for the past week and Sunday both of the little girls were sick. After a few more seiges like the past week, Rev. Leverett won't be only a teacher and preacher, he may be a pretty good doctor and cook, also.

Mr. and Mrs. Henry are better, but still not able to be out. Mr. Henry gets better, then sick again. From all reports he is getting disgusted.

Mrs. Woodrow Goodwin has had the flu so far this winter, but was sick Sunday. She has her onion sets already put out for this year. She is rather like Mr. Henry, she

thinks she is able to do more than she is.

One bright spot in the news was that Jimmy Holmes was able to leave the hospital, in Big Springs, last Monday, to recuperate at home. His condition is reported to be improving all the time, after having had a heart attack, some weeks ago. The doctors assure him of a complete recovery, after a long complete rest.

Mr. and Mrs. Joe Ford visitor with the Elmer Joiners, Saturday night.

About seven tenths inch of moisture fell last Tuesday, in various ways, including sleet, snow and rain. Every little bit helps the wheat over a few more days, what it needs is a lot of rain or snow.

Rev. and Mrs. Doyle Combs and children of Strawn visited with the Woodrow Goodwins, Sunday afternoon.

It is time for family night, this week in our church, but every one will have to get to feeling better, before we can plan anything.

Maybe next week a lot will happen out our way, besides everybody being sick. It seems to be that is all you hear, anywhere you hear from. There has really been a lot of sickness this winter.

Seeking additional terms are Otto Sosebee of Anson, Tom Lovvorn of Stamford, and J. T. Smith of Hawley.

Ralph Riddell was second high individual; and Robert Branch was 4th high individual in the entire contest.

The senior team, James

Branch, Mike Hill, Jim Hecht, and Brenda Dalby, placed eighth. There were 13 teams in this contest.

BIRTHS

Mr. and Mrs. Dale Frost of Hamlin are the parents of a daughter born Feb. 17 at 4:35 a.m. She weighed 7 lbs. 12 oz. and was named Sherry Diane.

Mr. and Mrs. Roy Dennis Kelly of Hamlin are the parents of a son born Feb. 19 at 4:35 a.m. He weighed 7 lbs. 9 oz. and was named Keith Lanier.

BARBARA MARSEE  
...HD Agent assistant

## Stephens Native Is Junior Assistant County HD Agent

Miss Barbara Marsee, a native of Stephens County, has assumed her duties as Junior Assistant of Jones County under the supervision of Mrs. Mary Y. Newberry, Jones County Home Demonstration Agent.

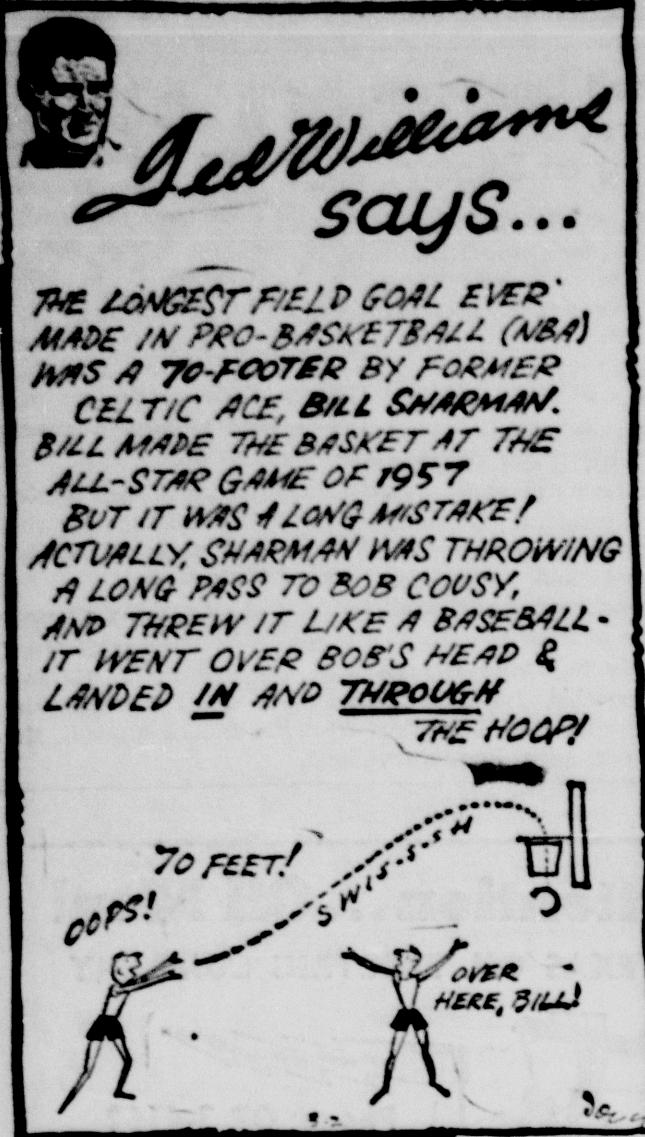

Miss Marsee is a mid-term home economics graduate of Texas Wesleyan College in Fort Worth, Texas. She was a member of Gamma Orion, American Home Economics Association, Dormitory President and a member of the Dormitory Council of Texas Wesleyan College. A graduate of Breckinridge High School in 1961, she was the Breckinridge Buckaroon Homecoming Sweetheart in 1961.

Barbara is the daughter of Mr. and Mrs. Joe Marsee, Route 2, Breckinridge, Texas. After completing a three months training period in Jones County, she will be placed in a county as Home Demonstration Agent.

Three Incumbents Seek Re-election On County Board

Three incumbents have filed for places on the Jones County Common School District board of trustees. Election will be held Saturday, April 3.

## As It Looks From Here . . .

Omar Burleson, M. C.  
17th District, Texas  
WASHINGTON, D. C. . . The Deficit in the balance of payments between the United States and other nations has previously been discussed in this letter. It continues to be an acute problem which is causing very great concern.

A ten-point program has been outlined by the President. Several courses of action call for legislation, while others are to be taken administratively.

Two Things Not Mentioned Could Go A Long Way toward solving our balance of payments. One is to demand the payment of the debts owed us by many foreign nations, and particularly France, which by reason of its demands is aggravating the problem.

Another is To Put To Better Use The so-called "counterpart funds" now lying unused in many countries. These are payments for goods and supplies furnished them in the past under Foreign Aid. These funds can only be used in the country of origin and only for purposes specified.

Economists Say That The Next Generation's work schedule may be somewhat like this: Work, 20 hours; Sleep, 55 hours; and leisure time nearly 100 hours. This sort of living will bring new shifts of emphasis on the activities of people. In fact, if and when such happens our entire economy will look considerably different than it does today.

The Perry Masons Of Science have implicated some 70 plus viruses as capable of causing the common cold. They say there are still more to be identified. It can be assumed that new viruses will be isolated and that some pill will be found to frustrate their evil doings. On the other hand, as one remedy is found, there must be another remedy to cure the side effects.

A Psychologist Of The University of Chicago has made a study, with the conclusion that the pupils of your eyes dilate when you look at something you like and contract when you see something you do not like. Perhaps further study could be made, experimenting with the ear, so that it could have equal time. Maybe some instrument exists that can pick up a minute wiggle in the lobe which would be an indication of pleasure or displeasure at what we hear.

## Noel Weaver Guest Speaker Sunday

Noel Weaver, laymen of the First Baptist Church here, was guest speaker for the Monahans First Baptist Church Brotherhood breakfast in preparation for the meeting which opened Sunday.

Weaver challenged the group To give God some of your time before God decides to take all of your time, and God expects something from your life.

The breakfast was well attended.

### Use Foil To Reflect Heat

Aluminum foil, that all-purpose "Handy Andy" of the camper, can make you an efficient camp oven.

Also, it can double as a fire reflector in cold weather. Here's how to do it: Drive four 18-inch stakes in a square around your campfire. Leave one side open to stoke the fire and handle the food. Fasten the foil to the stakes to cover the other three sides. Make a top of small, straight, interwoven, green sticks and cover with foil. Secure top to the four stakes.

Foil surfaces reflect heat, creating high, even temperatures even with a small ember.

For COLDS take 666

## Neinda Philosopher Sees No Way to Avoid Need for New Zip Code Reading Postal Gadget

Editor's note: The Neinda Philosopher on his Johnson grass farm on Route 1 continues to fight progress, his letter this week indicates.

Dear Editor:

According to an article I read last night, a major breakthrough in the mail delivery system is at hand. The Postmaster General says a new machine finally has been perfected to read the zip code number on an envelope, and in a year's time these machines will be in use in major post offices around the country.

As I understand it, the machine reads the zip code number on an envelope, sorts the mail accordingly, and does it at the rate of 35,000 letters an hour.

I have been thinking about this machine, and while I don't expect to get to see one for some time, after all the Hamlin post office might be a little

hard-pressed to find a use for a machine that reads 35,000 letters an hour, unless Washington ordered Postmaster Perry Sparks to let the letters accumulate over a long period of time, and you know it wouldn't do that, still if a machine can read a long string of numbers written in pencil in longhand, there's no limit to what it can do.

Couldn't it look through the envelope and see what was inside? If so, why haul the letter across the country in the first place. Why not let the machine read it, transmit it to another machine in the town it's addressed to, and drop it in the addressee's mail box?

Understand, I'm in favor of this machine, but making it seems to me is always hunting for a way to whip the results instead of the cause of a problem, which explains why there are a lot more television com-

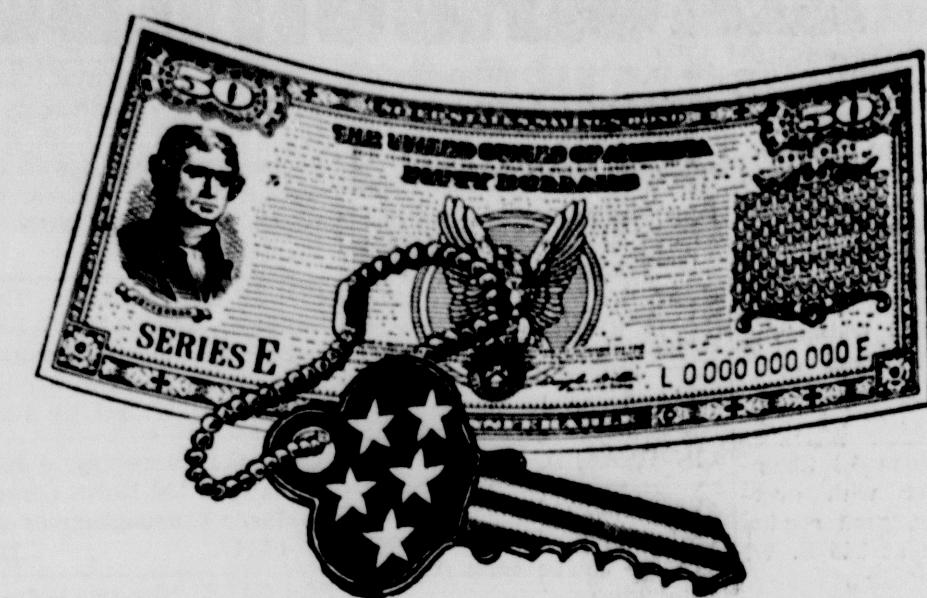

mercials on how to cure a cold than prevent one. If we're going to flood the mails with more and more letters, certainly we need faster ways to handle the stuff, but a simpler way would be to work on the problem of cutting down on the number of letters in the first place. Mark Twain said he made it a practice never to answer a letter till after six months, and it'd surprise you how few then needed answering.

But we might as well get the postal machine going. It's for the people who believe the answer to the parking problem is more parking, not fewer cars.

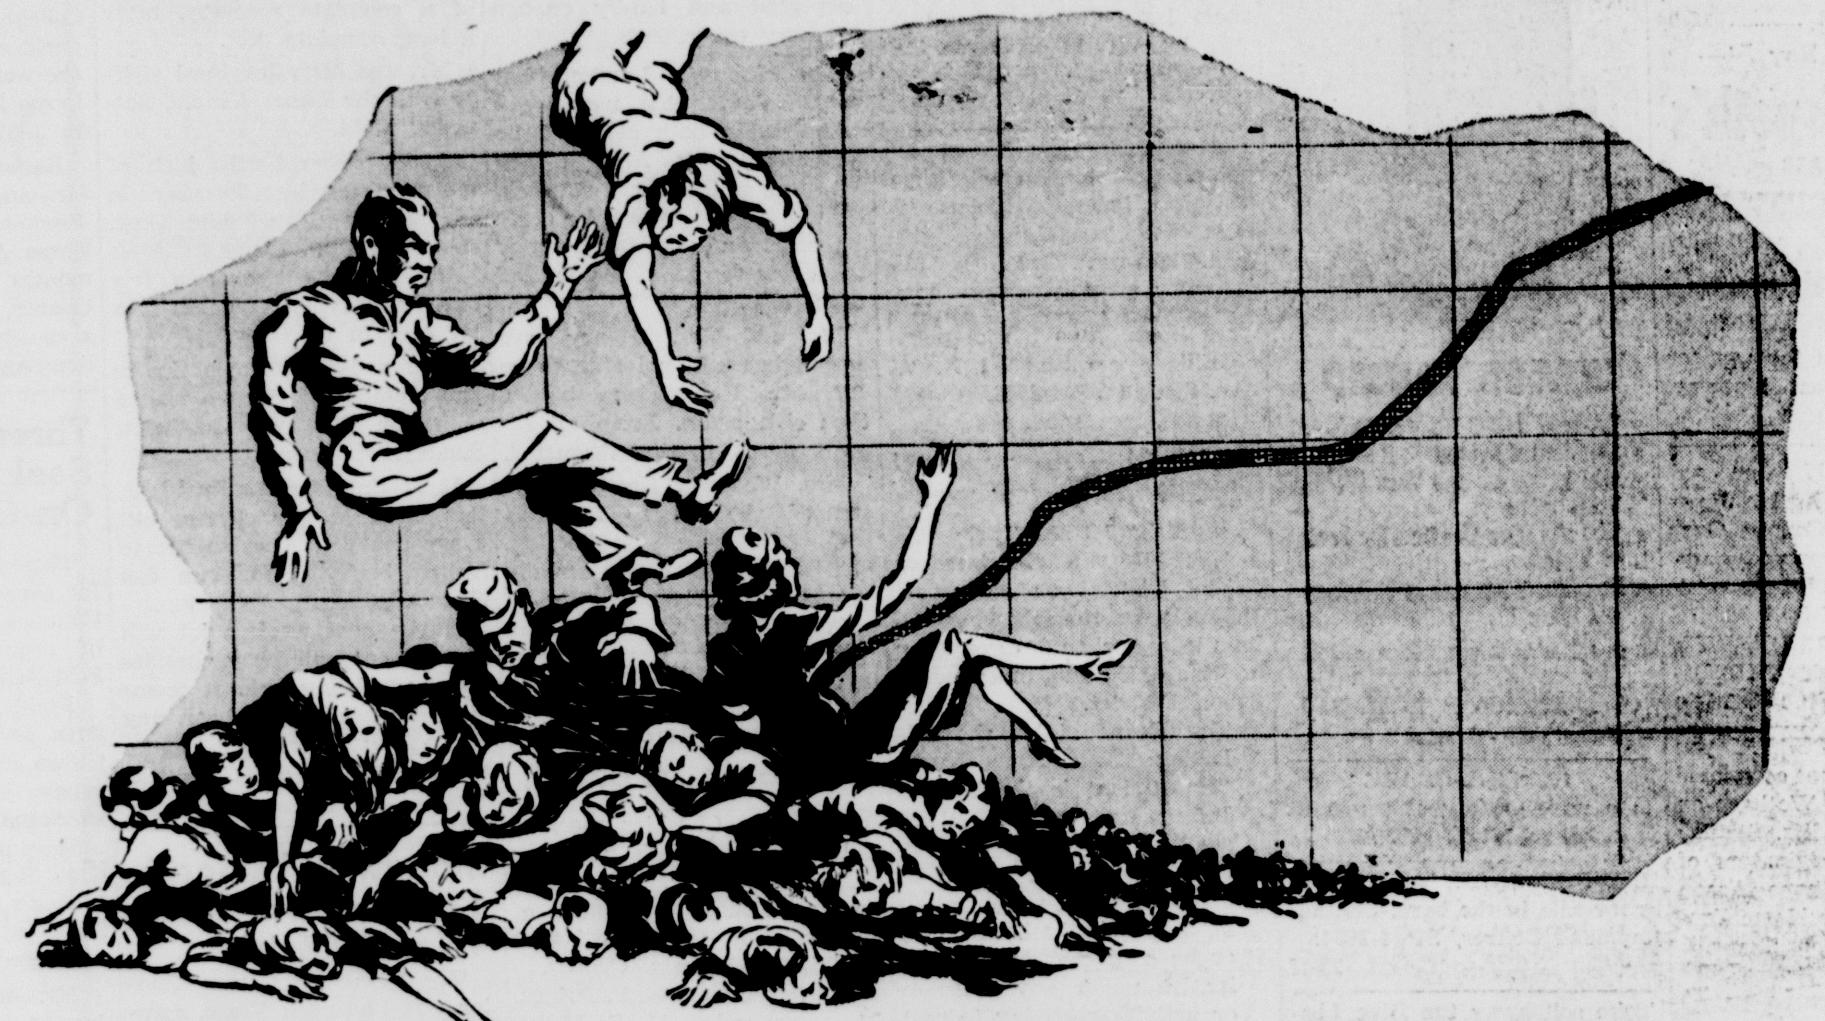

Yours faithfully,

J. A.

Mr. and Mrs. Jerry Waggoner and girls spent Sunday in Slaton visiting her sister and family. Mr. and Mrs. O. G. Nieman.

**Star-spangled key to a home of your own!**

## WHEN HUMAN LIVES BECOME STATISTICS

70 killed!—More than 8,000 injured! You didn't read of this disaster in your local paper. It wasn't there. These killed and injured were working men and women all across the nation who were accident victims on their jobs yesterday. Today they are statistics!

The toll goes on—every hour, every day and at year's end some 16,000 workers have been killed and more than 2,000,000 injured. Time lost by disabling injuries would equal the working time of 2 million men for a whole year. For the dead there is no time.

About 3 out of every 4 occupational accident victims are workers in smaller plants firms and businesses. In fact, in every job there is some hazard. Slipping on a floor, tripping on a stair or falling from a truck can incapacitate you as surely as some situation which would seem more dangerous. Know your job—know the hazards connected with it—and be prepared to avoid them.

Think before you act—before you expose yourself to danger and accident. Think safely. It's better to be a worker than a statistic!

**THINK SAFELY ALL-WAYS**

## FHA Title I Loans Prove Popular for Home Remodeling

In 30 years, the initials "FHA" have come to mean dependable in home financing. Many people think of FHA-insured home improvement loans in the same way, and for good reason.

Why has the Title I program proved so popular? There are many reasons. But the main ones are: the program's economy, its simplicity, and its built-in consumer protection.

Financing costs on Title I loans are among the lowest generally available. Moreover, there are no hidden costs, closing costs, or other extras.

The loans are made by banks and other FHA-approved lending institutions. In most cases, the contractor you pick to do the job will arrange for the Title I loan. All he needs is your application. No down payment is necessary, and usually no security other than your signature is taken.

Since most cases require only the lender's approval, generally, you will get an answer to your application in one day.

Call your news to the Herald.

TEXAS PRESS ASSOCIATION

TEXAS PRESS ASSOCIATION

AUSTIN, ... Gov. John Connally passed the first legislative test of his program for improving higher education.

House of Representatives overwhlemingly approved the bill to name an 18 member commission to decide which colleges and universities shall teach what, to assign fields of teaching, and to take over state supervision of academic work in the 32 junior colleges.

There were many amendments to the bill by Reps. Dick Cory of Victoria and Charles Wilson of Lufkin. But none diverted the bill from its original purpose as laid out by the Governor's Committee on Education Beyond the High School.

Schools lie ahead because some strong senators are against such a delegation of powers, or oppose some phases of the bill as passed by the House. Sen. W. T. Moore of Bryan will handle the measure in the Senate. He expects to move it on within the next week or so.

Sen. Dorsey Hardeman is opposed to some of Connally's

REDISTRICTING ... All bills to reapportion congressional, state senatorial or legislative district will go to standing subcommittee in both the House and the Senate.

Rep. Gus Munscher of Brenham decided to try for objectivity. He picked chairman from opposite sections of the State from the section subcommittees will be studying.

He named Rep. Gene Hendryx of Alpine to the Area 1 subcommittee handling redistricting of East Texas; Rep. Merton J. Murray of Harlingen to the Area 11 subcommittee on North Texas; Rep. Red Simpson of Amarillo to the Area 111 subcommittee on South Texas; and Rep. James Slider of Naples to the Area 1v subcommittee on West Texas.

Senate subcommittee on State Senate redistricting measures is heavy with representation from the western part of the State and the lower Gulf Coast. At the insistence of the committee at large, Sen. Louis Crump of San Saba, chairman of the Senate Redistricting Committee, appointed himself chairman of the study subcommittee.

Then he picked Sen. Dorsey Hardman of San Angelo; Sen. Criss Cole of Houston; Sen. Bruce Reagan of Corpus Christi; and Sen. William T. Moore of Bryan to serve with him.

Senator Crump also will head the congressional redistricting subcommittee composed of Sen. Ralph Hall of Rockwall; Sen. Abraham Kazen of Laredo; Sen. Martin Dies Jr. of Lufkin; and Sen. George Parkhouse of Dallas.

HOG CHOLERA ERADICATION ... Representatives of several farm organizations joined members of the Texas Animal Health Commission and the U. S. Department of Agriculture in supporting legislation to regulate hog cholera eradication measures before the Senate Agricultural Committee.

Sen. Andy Rogers of Childress is author of the bill and also chairman of the committee.

Those appearing before the committee were Charles Huff, Farm Bureau Federation; W. M. Burnett, Farmers Union; E. M. Regenbrecht of Bryan, representing swine breeders of the Animal Health Commission; and Dr. S. B. Walker, executive director of the commission.

REGULATORY AUTHORITY BILL RUNS INTO TROUBLE ... A bill by Sen. Tom Creighton of Mineral Wells to give the State Parks and Wildlife Commission complete regulatory authority over hunting and fishing in all 254 counties ran into temporary

trouble in the Senate when a commercial tourist attractions have formed Texas Attractions Association to assure visitors a fair return on their fun dollar.

About 150 of the State's counties now are under the Commission's jurisdiction. Governor Connally asks that all 254 be included.

ECONOMY COMMISSION A commission study which experts testified could result in savings up to \$8,000,000 a year in state government operations has House approval and now is in the Senate.

Called the "Little Hoover Commission," the survey is aimed at achieving "economy and efficiency" in the executive branch of the government.

Rep. Dick Cory of Victoria is the author.

TB PROGRAM URGED

House and Senate committees heard convincing arguments

that tuberculosis can be eradicated in Texas within a decade through new drugs and treatment method and on intensive program of care, case-finding and follow-up.

Senate Public Health Committee immediately approved setting the program in motion in a group of south-central Texas counties around San Antonio and Mexican border counties from El Paso to Brownsville.

House Committee placed the bill in a friendly subcommittee for a week's study.

Plan would call for State Department of Health to take over all hospitals and consolidate the entire program in a special division. Contract care of patients near their homes where possible is an important part of the program.

OIL ... Oil production will be down a bit in March. Railroad Commission cut allowable 11,000 barrels a day after hearing discouraging forecasts of need for Texas oil during the month.

Oilmen got House committee approval of the oil and gas pooling bill backed by several oil associations. Strong opposition had been voiced by the Texas Farm Bureau, but the committee approved it with only Rep. Amando Canales of San Diego opposing the vote.

Rep. Wayne Gibbons of Breckenridge hopes to get it through the House this week. It was passed by the Senate two weeks ago.

In simple terms, the bill would allow landowners or leaseholders who do not have enough land to obtain a drilling permit from the Railroad Commission to get the Commission to order adjoining operator to bring the small tract into a pool likeowners of large tracts can force the pooling of small tracts for oil and gas development.

TOURIST BOOSTERS ORGANIZE ... Representatives welcomed newly-elected members: John Mobley of Kilgore and Neal Solomon of Mount Vernon even before election returns were officially certified.

Adjutant General Thomas S. Bishop will attend March 3 meetings in Washington to receive information as to type and number of National Guard units which will be offered Texas under Guard-Army Reserve merger.

**NEW BRILLIANCE  
FOR THE STUDENT**

... with the TENSOR STUDENT LAMP, a rugged, all-metal high-intensity lamp designed specifically for student use. This mite-sized lamp weighs only 2 pounds, takes up less than six square inches on a crowded desk, yet produces a powerful, glare-free light of sun-like brilliance.

Key to its amazing performance is the Tensor-engineered transformer that steps down the voltage of a standard AC socket, steps up light intensity to the equivalent of a 100-watt conventional desk lamp.

The Tensor Student Lamp provides the perfect light for reading, for desk use at home or in the dormitory, for library work, for microscope illumination, for drafting, for dissecting, for specimen study, for model construction. It makes those last-minute cram sessions a lot easier on the eyes, too.

The lamp's flexible gooseneck arm and swivel reflector let you direct the light precisely where you want it. Yet it's practically tip-proof, thanks to its weighted base. It's good looking, too, with its neutral gray wrinkle finish and chrome gooseneck.

So bright things for the student prince or princess! In your family by getting him a Tensor Student Lamp. You'll find it encourages good reading and study habits. Warning: if there are more than one student in your household, better get a Tensor Student Lamp for each. People become very attached to their Tensors, don't surrender them easily.

Tensor Student Lamp: \$995

'COLD WEATHER' RIDE—Mrs. Don Elmore rides Snip around the barrels Sunday in the West Texas Barrel Racers monthly meeting held at the Hamlin Riding Club Arena Sunday. Mrs. Elmore, like some 34 other barrel riders, just bundled up and rode Sunday in spite of the blustery, cold weather. (Photo by Tim Jones)

## Former Teacher, Leslie Mae James, Dies Here Thursday

Miss Leslie Mae James, first grade teacher here for 32 years before her retirement in 1956, died at 8:30 p. m. Thursday at Holiday Lodge.

Miss James, a native of Belton, began teaching here in 1925. She received a B. S. degree from McMurry College, Abilene.

A longtime member of the First Methodist Church, services were held there at 10 a. m. Saturday with the pastor Rev. Royce Womack, officiating.

Burial was in North Belton Cemetery, Belton. Graveside rites were held there at 5 p. m.

Survivors include two nephews, Robert N. Newman, James K. Newman, both of Abilene; two nieces, Mrs. Ray Crowell of Abilene, Mrs. Frank Scott of Yucaipa, Calif.; a sister-in-law, Mrs. O. W. James of Brownwood; and eight grandnieces and grandnephews, all of Abilene.

Pallbearers were Wesley Nail, C. L. Howard, D. D. Crow, Cleo Pettit, B. V. Newberry and Ed Duncan.

## Bridge Turney Planned Sat.

The Hamlin Bridge Club is staging a bridge charity benefit tournament here Saturday at the Hamlin High School Gymnasium with sessions at 1:30 p. m. and 7:30 p. m. Proceeds will go to the United Fund.

The tournament has local rating and will be directed by Mrs. Mabel Lillius of Abilene.

A charge of \$5 will be made for two sessions and the evening meal. A single session will be \$2.

## Bridge Winners

Winners in Tuesday's Hamlin Duplicate Bridge Club meet were Mrs. Garda Ragsdale and Mrs. Preston Morrow of Rotan, first; Mr. and Mrs. Starr Inzer, second; Preston Morrow of Rotan and Mrs. Floyd Briscoe, third.

## New Loan Program to Aid Rural Families Improve Income Started

A new loan program, recently announced by the Farmers Home Administration, is designed to help rural families finance enterprises that will improve their incomes, according to Kirby Clayton.

The FHA County Supervisor, J. C. Hays, has informed County Agent, Kirby Clayton, that the new loans are a part of the Economic Opportunity Act of 1964. They can provide up to \$2,500 for up to 15 years at a 4 1/8 percent interest rate. Rural residents can get the loans on the basis of their ability and character.

According to J. C. Hayes, the loans are for people who know a good way to increase their incomes, but who cannot readily get financing through regular credit channels.

## 1964 Rated Banner Year as Retail Sales Show Gain in County

(Special to the Herald) NEW YORK - For Jones County's retail stores, 1964 was a banner year as local residents, armed with fatter pocketbooks, spent generously for goods and services.

Most lines of business were able to post new, all-time records, according to the latest market data report.

It shows that the average consumer was willing to spend more to live better. He ate finer cuts of meat, bought more expensive clothes, went more frequently to the movies and to sporting events and got more gadgets for his car.

The details are from the comprehensive study of consumer buying made by the Standard Rate and Data Service on the basis of Federal, state and local reports.

It reveals, for every section of the country, just how the average family distributed the money remaining to it after taxes in the past fiscal year.

In Jones County, a major

## POST OFFICE TO START MOVE BACK HOME FRI.

The Post Office will be moving back into the building at Southwest Third and Avenue A Friday, according to Perry Sparks, postmaster.

The building has undergone extensive remodeling and expansion.

The work will not be completely finished but the staff will be able to operate satisfactorily.

## First Baptist Church Leaders To Hear Dr. R. Hooper Dilay Mar. 5

Dr. R. Hooper Dilay will address the elected leadership of the First Baptist Church Friday, March 5, 7 p. m. A covered dish supper will precede the program to be held in the Fellowship Hall of the church.

As director of the church division for the State Missions Commission of the Baptist General Convention of Texas "Dr. Dilay is well qualified to present information and inspiration to church workers in all phases of its organizations, he has been asked to challenge the leadership of the church to efficient and dedicated service," reports the pastor, Rev. Bryon Bryant.

Dr. Dilay has served in church administration for forty years in churches at Amarillo, Port Neches, Port Arthur, and Wichita Falls. After ten years with the First Baptist Church of Wichita Falls, he accepted the position of associate secretary of the Texas Baptist Sunday School Department, and later served as secretary of the state Baptist Training Union Department. He then became director of the church services division and co-ordinates the

programs of the Texas Baptist Sunday School Training Union Church Music, Brotherhood Departments, and the church library Service. He also helps in co-ordinating the programs of the Woman's Missionary Union of Texas.

The church services division is one of four major administrative and organizational divisions within the State Missions Commission.

## Cold Front Drops Temperature Down to 12 Here

A cold front moving into the Hamlin area Tuesday brought a real touch of winter with high winds and temperatures that dipped to 12 degrees southeast of town early Wednesday morning.

Low temperatures were reported all over the state caused by the massive storm that hit Texas and extended from northern Illinois and Iowa south into Texas and eastern New Mexico.

Drizzle, sleet and freezing rain were reported in other sections but not in the immediate Hamlin area.

An eight-inch water pipe on Southwest Avenue B burst at 12 midnight Tuesday. The water was cut off and city workmen started early Wednesday to repair the broken pipe. Service was restored in the area by 9:30 a.m. according to Bill Rountree, water superintendent.

Temperatures in town registered 19 degrees at midnight and dropped to 15 in the early morning hours.

## FFA Judging Team Wins A Third in Odessa Contest

Five members of the Hamlin Future Farmers of America Chapter entered the Odessa FFA Invitational Livestock Judging Contest Saturday. The boys, Randy George, Wayne Gruben and Richey Acklin, team members, Reginald Wells and Bobby White, alternates, were accompanied by Milburn Wink, vocational agriculture teacher.

The boys competed with some fifteen other teams from various FFA Chapters and 4-H Clubs from West Texas.

Fat swine, breeding swine, fat lambs, and breeding ewes were judged. Also a group of feeder calves were graded.

The team placed third in the grading part of the contest.

Randy George was high individual in grading with a score of 95 out of a possible 100. Wayne Gruben was seventh in grading.

A total of 79 boys judged in the contest.

## Attend Easter Seal Workshop at WTRC

Representatives of Beta Sigma Phi sorority attended the Easter Seals workshop and luncheon at the West Texas Rehabilitation Center in Abilene last week.

Mrs. Guy Weaver represented the Beta Theta Chapter and Mrs. Bill Feagan the Xi Gamma Pi chapter.

The annual house to house drive will be staged here April 16 and is sponsored locally by the two Beta Sigma Phi chapters.

Guests over the weekend in the home of Mr. and Mrs. W. C. Eoff and Clifford were Mr. and Mrs. Dalton Hunn of Fort Worth, Mr. and Mrs. Mike Marshall of Dallas. Everyone visited Sunday in the home of Mr. and Mrs. Claude Smith and Claude Thomas in Abilene and also attended the A.C.C. Lectureship which is now in progress.

## Schools Set Open House Tuesday

Open House will highlight the activities for Public School Week in the Hamlin School system, according to C. F. Cook superintendent, although he said that the schools will be open all week for parents to visit at any time.

The Open House is planned for Tuesday evening starting at 6 p.m. at primary, elementary and junior high school and at 7 p.m. at high school. No night is planned this year by the De Priest School. Parents are

## HIGH SCHOOL

All departments of Hamlin High School will be open during the Tuesday evening event. The teachers will assist the students in greeting the visitors.

B. V. Newberry, principal, said the building would be open from 7 to 8:30 p.m.

## ELEMENTARY

Miss Odean Murphree, principal of the elementary school, said this week that students in the fourth and fifth grade classes were getting their classrooms ready for the Tuesday evening tour.

Parents will have an opportunity to see samples of work done by the students.

OSCAR DEPRIEST

Principal I. J. Starr is asking all parents and others interested in the program at Oscar DePriest School to come by during Public Schools Week to see the school in action. Visitors are invited to come during the school day any day during the week with Wednesday and Thursday likely being the best days.

"There is no night activity being planned," Starr said.

## Candy Sale Ends Here Saturday

Members of the Camp Fire Girls Leaders Association met last Tuesday to set March 26 as the date for the annual Dad-Daughter banquet. Mrs. G. W. Kincaid, chairman, presided.

The Hamlin High School Stage Band will present entertainment for the program.

The leaders expressed their appreciation to all those who have aided the girls in their annual candy sale. The Sale ends Saturday.

PRIMARY

The primary building will be open at 6 p.m. for parents and others to see the work being done by the first, second and third grade pupils.

Mrs. Fred Smith, principal, joins with the teachers in urging the parents to visit the classrooms during the open house.

spread criticism.

"No one visit, or a dozen visits, to the schools in our community can afford a penetrating survey of aims and accomplishments, but the citizens' appearance can give

more than a casual impression of modern education and of what is being attempted both in basic instruction and the diversity of studies. Public Schools Week will provide an occasion for the inspection of the buildings in which Hamlin young people are schooled and for an insight into the qualifications of the teaching and administrative staff which have them in charge.

"In the latter respect, I think that the Hamlin School System will not be found lagging. On the contrary, I believe that visitors who have the benefit of knowledge of school systems will find the Hamlin Schools firmly anchored to the proven and traditional principles of formal, basic education, yet flexible and progressive enough to reach the expanding demands of our people.

"To do many things for many students, and in the process to inoculate the principles of responsible citizenship and democratic life, all without losing sight of the compelling requirements for solid, fundamental learning, is no inconsiderable objective for any school system. Especially is this true when many of them suffer from inadequate financing and public indifference or uninformed criticism.

"All Texas citizens, and particularly those who are parents of school children, should take time to visit the school on this occasion and make a serious effort to understand the difficulties in education and the needs arising from its tremendous scope. They should talk to the teachers. It is helpful to know your teachers and recognize their problems. They are the heart and core of the system. No school can be better or worse than its corps of teachers. Despite short-comings teachers are no less human than the rest of us. It is well to remember that if they were suddenly swept away and gone we should be standing only a step from savagery.

"Make it a point to visit your schools during this Public School Week."

ATTEND STAGE BAND CLINIC — Four members of the Pied Piper Stage Band and their director, Tim Jones, attended the Texas Christian University's Stage Band Clinic this past week end in Fort Worth. The U. S. Air Force Band's Airmen of Note Stage Band was featured at the clinic group. Pictured left to right are—John Osburn, Jimmy Hastings, James Knabel, and David Drummond.

# OLD GLORY...

By JUDY WHITE  
The mid-winter meeting of the Stonewall County Teachers Association was held Monday night, Feb 18, in the Old Glory Cafetorium, with the Old Glory teachers as hosts. Colors of red, white and blue were used to emphasize the Patriotic theme in table decorations.

James L. South introduced the speaker, Dr. Verma May Crutchfield, head of Special Education and Speech Therapy at Hardin-Simmons University. Dr. Crutchfield spoke most interestingly about her travels in the Communist Bloc countries. She was part of a teacher group that visited schools and universities in those lands.

Approximately thirty guests attended. The meal was catered by George Frazier of Aspermont.

Mr. South and Mr. Verner were elected by the members to serve as delegates to District VII Teachers Meeting at Vernon in March.

Plans are being made for a March of Dimes benefit set for Thursday night, Feb. 25. Entertainment will be an "outsiders" vs the faculty (and other recruits) basketball game in the Old Glory gym. Coffee and refreshments will be sold for additional MOD benefit.

J. L. South, superintendent of Old Glory School, has been given a new two year contract. His contract now extends to June 30, 1967.

A trustee election for Old

Glory School District will be held on April 3. Three trustees will be elected.

Terms expiring are G. F. Spitzer, Oren Baldwin and Jack Jones. Jones and Baldwin will seek reelection, but Spitzer has declined to run again. George Rhoads has also filed for election.

Terms of county board members expiring this year are Louis Spitzer, Prec. 1, and W. D. Thornton, Prec. 2. Both precincts include a part of the Old Glory District.

A comedy entitled "Sunday Costs Five Pesos" has been selected as Old Glory's one-act contest play this year.

Tryouts were held on Tuesday afternoon of last week. Those taking part were Kay Myers, Judy White, Clifford Gholson, Linda Newman, Danny Lammert, Gary Moore, Merrilyn Flory; they were assisted by Linda Gholson and Carolyn Sander. Not all the parts were contested.

Those named to the cast were Danny Lammert, Linda Gholson, Linda Newman, Donna Pierce, Merrilyn Flory, with Gary Moore as announcer. Mrs. Maxine Klump will direct the play.

Tryout judges were Mrs. Burel Jameson, Mrs. Travis Bell, and Mrs. Henry Pumphrey.

Mr. and Mrs. Herbert Klump

and Mrs. Adele Dudensing were visiting in Abilene last Saturday. The Klumps visited with his sister and husband Mr. and Mrs. Ed Mische. Mrs. Dudensing visited with her daughter and family. Mr. and Mrs. Charles Goddard and children.

Jack Doty of Las Vegas, Nevada, joined his wife here last week. Mrs. Doty has been here several weeks visiting with parents, Mr. and Mrs. G. Wienke.

Visitors in the home of Mr. and Mrs. Sandy Leverett last Sunday were his parents, Mr. and Mrs. V. R. Leverett, Sharon and Jimmy of Abilene, Mr. and Mrs. Ronald Mathews, Fort Worth; also her parents, Mr. and Mrs. John L. Garner, Lisa Johnny and Beverly of Aspermont; Mr. and Mrs. Kenneth Smith of A. C. C.

Mrs. V. R. Leverett and Sharon also visited with Mrs. Bernice D. White and Judy.

Kenneth Smith of A. C. C. was substitute minister Sunday for Gene Linder at the Church of Christ here. Mr. Linder had an emergency appendectomy in Abilene Saturday night.

Mr. and Mrs. John McGowen and children of Knox City visited Mrs. McGowen's parents, Mr. and Mrs. Adelbert Suter last Sunday.

Mrs. H. E. Carr went home

## Mrs. Wilson Brannon Selected Beta Theta Chapter Queen

Mrs. Wilson Brannon was chosen Queen of the Beta Theta Chapter of Beta Sigma Phi at the annual Valentine party held in the home of Mr. and Mrs. Guy Weaver Saturday evening.

Mrs. Brannon, was presented with a corsage and Queen's pin by her chapter sisters.

Mrs. Brannon (Letha Raye) is a homemaker and bookkeeper for her husband's business, Brannon Lumber Co. The couple has one daughter, Lynn, a sophomore in Hamlin High School. Her hobbies are golf, bridge and club work.

A member of Beta Sigma Phi since 1955, she has held numerous offices in the chapter and is presently serving as director.

She is a member of the First Baptist Church and is secretary of the Alethean Sunday School Class.

Following a buffet supper,

MRS. WILSON BRANNON . . . chapter sweetheart

## Xi Gamma Pi To Meet Today In Cassle Home

Xi Gamma Pi chapter of Beta Sigma Phi will meet in the home of Mrs. Arlie Cassle Thursday (today) at 4 p.m.

The last chapter meeting was held Feb. 11 in the home of Mrs. Gerald Young. The program, "Understanding Art," was presented by Mrs. C. Weldon Griggs.

During the business session, with Mrs. E. D. Perrin, president, presiding, the following members were elected to the nominating committee: Mrs. Young, Mrs. E. J. Hawkins and Mrs. Cassle.

Eight members were present.

## Mrs. C. B. Owens Gives Beta Theta Program Feb. 17

Mrs. C. B. Owens presented a program on sculpture for the Beta Theta Chapter of Beta Sigma Phi which met in the home of Mrs. Holly P. Toler, Wednesday, Feb. 17.

Mrs. Owens was introduced by Mrs. Wilson Brannon, in the absence of Mrs. Fred B. Moore Jr., program chairman.

Models made of papier-mache and clay by Mrs. Owens depicting Bible characters were shown. She also told of the early history of sculpture.

At the close of the meeting a surprise pink and blue shower was given Mrs. David Casey. Others present were Mmes. L. C. Bonds, Leland Clifton, W. A. Hawkins, W. T. Johnson, Tim Jones, Jerry Larned, Dewey Nunley, Sam Walker, Guy Weissenbach, Jack Willingham, Roy Eisenback, James Harrison and Mrs. Suzanne Rowland.

Out of our public schools come the future leaders of our country. Pay tribute to the schools during the week of March 1 through March 5, 1965. That's Public Schools Week, and a fine time for all Texas citizens to go back to school for a day.

Mrs. Bill Shira Hosts Friday Meet Of Literary Club

Mrs. Bill Shira was hostess for the Friday afternoon meeting of the Woman's Literary Club when Mrs. Richard Young directed a forum discussion of the signers of the Declaration of Independence.

Mrs. Young, assisted by Mrs. Byron Bryant and Mrs. Tarlton Willingham, presented "They Signed For Us" by Merle Sinclair and Annabel D. McArthur, giving the events preceding and up to 50 years following the signing of the Declaration of Independence.

The program was closed with the reading of "The Gift Outright" by Robert Frost.

The pecan is the state tree of Texas.

## First Methodist Church WSCS Circles Hold Monthly Meetings

Members of the Woman's Society of Christian Service of the First Methodist Church met this week in regular monthly circle meetings.

The Gardner Circle met in the home of Mrs. Vera Jayroe Monday at 3 p.m. with eight members present.

Mrs. B. H. Gardner, chairman, opened the meeting with prayer and presided for the business session.

The program was presented by Mrs. E. M. Wilson on "Life Within."

The next meeting will be with Mrs. Mixon Mar. 22 at 3 p.m.

The Vaughan Circle met Mrs. W. H. Pickron Monday

## County HD Council Elects Delegates To District Meeting

Mrs. Frank Carter

The Jones County Home Demonstration Council met in the County Agent's office in Anson February 17 and elected delegates to the District 3 Annual Meeting to be held April 15 in Childress. Those elected were

Mmes. H. A. Haynes, H. H. Dunklin and Frank Carter. Alternate delegates elected were Mmes. Orville, M. E. Carothers and Ab Hunter.

The Clubs voted to adopt the Recommendations of the Standing Committees of Council. Club Programs were on "The Art of Making Friends". The Clubs reported making donations to the March of Dimes.

Mrs. Mary Newberry, the County Home Demonstration Agent introduced Miss Barbara Marsee of Breckenridge, who will be an agent in training for 3 months. Miss Marsee is a recent graduate of Texas Woman's University, Denton, where she was a Home Economics major. Mrs. Newberry also announced a Leader Training Meeting, on Quick Dishes, in her office March 4 at 10:30 a.m. Each club member attending will take a quick dish and the recipe for it. Mrs. Newberry will attend a Family Life Workshop at A and M University March 7-13.

There will be a 4H "Come and See Tea" at the Noodle School Cafeteria March 22 at 7 p.m. Miss Marsee will judge dresses made and foods prepared by 4H girls.

T. E. Hill Honored On 93rd Birthday

T. E. Hill was honored on his 93rd birthday with a dinner Feb. 15 in his home.

The event was hosted by his children and grandchildren. Sixty-four guests were present from Wickett, Grandfalls, Midkiff, Midland, Andrews, Lubbock, Rotan, Haskell, Decatur, Tye and Hamlin.

afternoon.

The program, "Spiritual Self Discipline and the Life Within" was led by Mrs. Jack Vaughan, circle chairman.

Mrs. A. B. Carlton opened the meeting with prayer. The closing prayer was given by Mrs. Vaughan.

Nine members were present. Twenty-three visits to shut-ins were reported.

The hostess served refreshments.

The McBride Circle met with Mrs. Jerry Waggoner at 10 a.m. Tuesday.

Mrs. James Harrison, circle chairman, opened the meeting with prayer and presided during the business session.

Mrs. Charles Tugwell presented the program entitled "Keys to Happiness."

Seven members were present. Twelve visits to shut-ins were reported.

The meeting was closed with prayer by Mrs. W. A. Hawkins. Refreshments were served.

## Kelly Bradshaw Elected President Smiling Blue Birds

The Smiling Blue Birds met at the Hut Tuesday for elections. The new president is Kelly Bradshaw. Debra St. Clair was elected secretary and Kathy Smith was elected reporter.

After elections the girls played musical chairs. Refreshments were served by Mrs. Don Bradshaw. Members present were: Donna Early, Lynda Harrison, Debbie Hix, Kimi Mehaffey, Vickie Ponder, Jacqueline Preiss, Rebecca Server, Kathy Smith, Denise Tugwell, Lisa Walker, Mrs. Bill Early and Mrs. C. W. Tugwell. Honorary members Debbie Tugwell and Keith Early were also present.

Guests were Mrs. Durwood Smith, Craig Smith, Mrs. Bradshaw, Doyle Bradshaw and Kevin Bradshaw.

## T. E. Hill Honored On 93rd Birthday

T. E. Hill was honored on his 93rd birthday with a dinner Feb. 15 in his home.

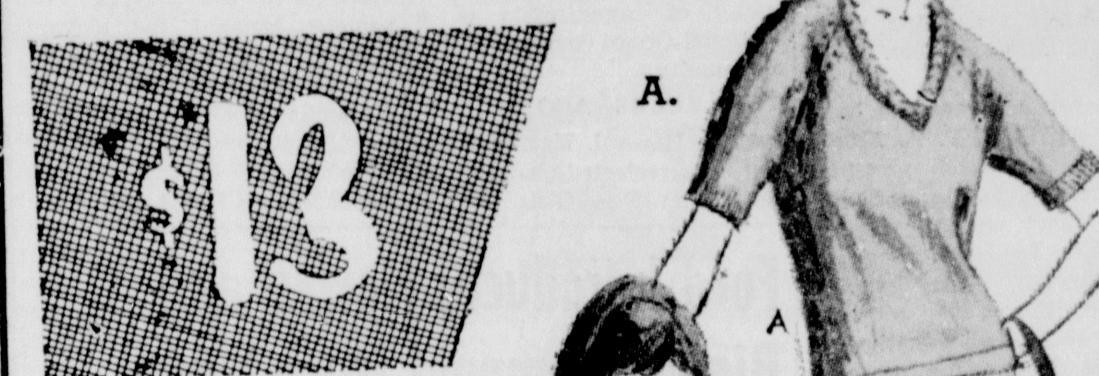

The event was hosted by his children and grandchildren. Sixty-four guests were present from Wickett, Grandfalls, Midkiff, Midland, Andrews, Lubbock, Rotan, Haskell, Decatur, Tye and Hamlin.

### PLUS MATCHING ELECTRIC DRYER

The only dryer designed to match Frigidaire Jet Action Washers in styling and performance. Whatever your need or budget, there's a Frigidaire Washer and Dryer just right for you and your family.

Buy Frigidaire for maximum dependability! Buy today!

West Texas Utilities Company  
an investor-owned company

MID-WEST ELECTRIC COOPERATIVE, INC.  
ROBY, TEXAS

All the poles of Midwest Electric Cooperative can't hold the appliances purchased by cooperative members.

This year alone they will spend more than \$1,600,000 dollars for a wide variety of appliances to use the electric systems they built themselves. This money goes to home-town merchants and to the millions of people in industry who helped manufacture these appliances and equipment.

This productive pole . . . planted by the owner-operators of the Midwest Electric Cooperative . . . and nurtured through the years has contributed a thousand times its original cost in a stronger rural economy . . . and a better way of life for its owners. Rural electrification is Helping Texas Grow.

They're good looking. Clean. Functional. You can get an economical 4-cylinder engine in the sedan or in both cars, a 120-hp Hi-Thrift Six that's quick to do everything but cost you money. As we said earlier, these are our lowest priced cars. Try one out today.

SP 4-1666

# YEARS AGO...

## FORTY-FIVE YEARS AGO

G. J. Jenkins and Ross Dillard have opened a new barber shop in Hamlin.

G. R. Bates just can't keep out of the restaurant business. He has had the Hix building overhauled and opened for business this week.

G. H. Baker of Hillsboro was checked in last week as new agent for the Katy Railroad at Hamlin. He replaces G. R. Phelps, who has been transferred to Dublin by the railway.

**THIRTY-FIVE YEARS AGO**

Saturday afternoon at the home of Mrs. C. C. Prater a pretty party was given when Mrs. Prater and Mrs. A. E. Pardue were joint hostesses for a shower honoring Chattie Walker whose marriage to Floyd Carlton will be solemnized Feb. 23.

Mr. and Mrs. P. L. Keller of San Angelo spent the weekend with Dr. and Mrs. A. E. Pardue.

Friday evening at the home of Dr. and Mrs. P. A. Fowler Mrs. W. C. Russell presented her piano pupils in a recital. Taking part on the program were Eva Louise Fowler, Robert Fowler, Elma Joy and Clydene Wilson.

Mrs. S. K. Dillard, who has been in Marlin for the past two weeks is reported improved and will return home next week.

Mrs. Tom McGuire and son Walker, left Wednesday for Los Angeles, where they will visit for six months or more.

**TWENTY-FIVE YEARS AGO**

Mr. and Mrs. Cecil Elvens

of Lubbock spent the weekend here with her parents, Mr. and Mrs. W. B. Cotten. They were accompanied by May Brady, who visited with her mother, Mrs. T. T. Brady.

Mr. and Mrs. Guy Fielder and daughter, Helen, of Alpine were week-end visitors with her mother, Mrs. L. B. Bruner, and other relatives and friends.

## FIFTEEN YEARS AGO

Operation of parking meters on the principal downtown streets of Hamlin is scheduled to get underway Monday, according to Mayor Holly Toler.

HHS Pied Pipers, district cage champions, were eliminated from the regional race by the Roscoe Plowboys in the tournament staged in Abilene.

Survey is being made this week to determine the feasibility of organization of a National Guard company in the community.

## TEN YEARS AGO

C. L. Howard, Hamlin druggist, was reelected chairman of the Camp Fire Girls Council Advanced to Class A rating.

## Ford Introduces Newest and Biggest Compact Truck Model

Ford Division today introduced the Econoline SuperVan newest and biggest member of the Econoline family which has paced compact truck sales since its introduction in 1960.

"SuperVan -- Econoline's 'big brother' -- is another Ford first and everything its name implies," said Donald N. Frey, Ford Motor Company vice president and Ford Division general manager. "It is a 'super' Econoline Van, with all of Econoline's popular loading, hauling and economy features but enlarged to meet the extra-space requirements of many businesses."

Mr. Frey said Ford Division has sold more than 250,000 Econolines and "we expect the SuperVan to add substantially to this leadership."

The SuperVan will be on display in dealer showrooms in March.

The full 18 inches longer than regular Econoline Van, the new van has 23 per cent more loadspace with a 251-cubic foot capacity allowing it to haul long items such as rolled rugs or lengths of pipe up to 14 feet in length. A 4-by-8-foot sheet of plywood will lie flat on the floor with room to spare.

The SuperVan's additional loadspace permits commercial users to haul more per trip down total trips, or arrange loads for greater efficiency," Mr. Frey said.

SOUTHWESTERN BELL

for camping trips and fun outings," he noted. "Equipped with a camper conversion, the enlarged SuperVan provides more living space and extra storage capacity, making it truly a family's recreation castle on wheels."

Mr. Frey said Ford Division has sold more than 250,000 Econolines and "we expect the SuperVan to add substantially to this leadership."

The SuperVan will be on display in dealer showrooms in March.

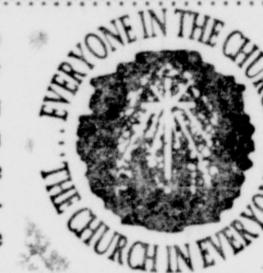

The full 18 inches longer than regular Econoline Van, the new van has 23 per cent more loadspace with a 251-cubic foot capacity allowing it to haul long items such as rolled rugs or lengths of pipe up to 14 feet in length. A 4-by-8-foot sheet of plywood will lie flat on the floor with room to spare.

The SuperVan's additional loadspace permits commercial users to haul more per trip down total trips, or arrange loads for greater efficiency," Mr. Frey said.

The training place for Democracy is our public schools. Take a look at the technique used by our teachers during the week of March 1 through March 5, 1965, designated by the Governor as Public Schools Week. Plan a visit to a school, meet the teachers, the football coach and the principal. The doors are always open and you are certain to receive a hearty welcome.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny, the truth which alone will set him free to live as a child of God.

## CRUISE IN THE OFF-SEASON

Although most people prefer to take their cruise during the peak of the season for all the glamour, excitement, and crowds it offers, others enjoy the quiet and restfulness of the off season cruise. Tourists are not present in such great numbers; interesting places can be visited more leisurely and at greater length.

Some people prefer to pray only when they are in church or at some great public gathering where the prayers are led for them. But our Lord said to pray in the "off-season." He

said, "But thou, when thou prayest, enter into thy closet, and when thou hast shut thy door, pray to thy Father which is in secret; and thy Father which seeth in secret shall reward thee openly." The real joys of prayer are truly found when you are praying alone with God. The scripture says to be instant in season and out of season.

The church would encourage you to pray both in church and at home. Prayer can uplift, support, and strengthen our churches, ourselves, and our country.

Some people prefer to pray only when they are in church or at some great public gathering where the prayers are led for them. But our Lord said to pray in the "off-season." He

Some people prefer to pray only when they are in church or at some great public gathering where the prayers are led for them. But our Lord said to pray in the "off-season." He

FOR SALE: New 3 bedroom house, 1 bath, 1 car garage. This is a low priced house. F. H. A. loan, established payments like rent. Call SP 4-1266.

FOR SALE CHEAP: Two bedroom house, two blocks north of Bills Superette, 152 N. W. Ave. C. Call SP 4-2374.

Mrs. Kenneth Leverett has been sick for the past week and Sunday both of the little girls were sick. After a few more seiges like the past week, Rev. Leverett won't be only a teacher and preacher, he may be a pretty good doctor and cook, also.

Mr. and Mrs. Henry are better, but still not able to be out. Mr. Henry gets better, then sick again. From all reports he is getting disgusted.

Mrs. Woodrow Goodwin has escaped the flu so far this winter, but was sick Sunday. She has her onion sets already put out for this year. She is rather like Mr. Henry, she

is time for family night, this week in our church, but every one will have to get to feeling better, before we can plan anything.

Maybe next week a lot will happen out our way, besides everybody being sick. It seems to be that is all you hear, anywhere you hear from. There has really been a lot of sickness this winter.

Barry Cheshier is Serviceman Of Month at Base

Mrs. Ione Cheshier received a letter this month notifying her that her son, Barry, had been selected as Serviceman of the Month at the U. S. Naval Facility, at Nicosia, Cyprus.

The letter from E. F. Briggs, Lt. Commander, U. S. Navy, commanding officer, states: "This award is in recognition of Barry's outstanding professional performance, military behavior, leadership, military appearance and adaptability."

"Although Barry's selection was based on the above qualities, it also directly reflects upon the fine quality reflects parental education he received from you. A good Navy man is first and foremost a good citizen, and good citizenship is normally a product of proper home training.

"Consequently, you, as well as Barry may take justifiable pride in his selection as Serviceman of the Month, inasmuch as it represents the success and effectiveness of your training as well as that of the United States Navy.

"I am proud that Barry is a member of my command. He is a credit to you and to the United States Navy.

Ralph Riddel was second high individual; and Robert Branch was 4th high individual in the entire contest.

The senior team, James Branch, Mike Hill, Jim Hecht, and Brenda Dalby, placed eighth. There were 13 teams in this contest.

## BIRTHS

Mr. and Mrs. Dale Frost of Hamlin are the parents of a daughter born Feb. 17 at 4:35 a.m. She weighed 7 lbs. 12 oz. and was named Sherry Diane.

Mr. and Mrs. Roy Dennis Kelly of Hamlin are the parents of a son born Feb. 19 at 4:35 a.m. He weighed 7 lbs. 9 oz. and was named Keith Lanier.

Call your news to the Herald.

Three Incumbents Seek Re-election On County Board

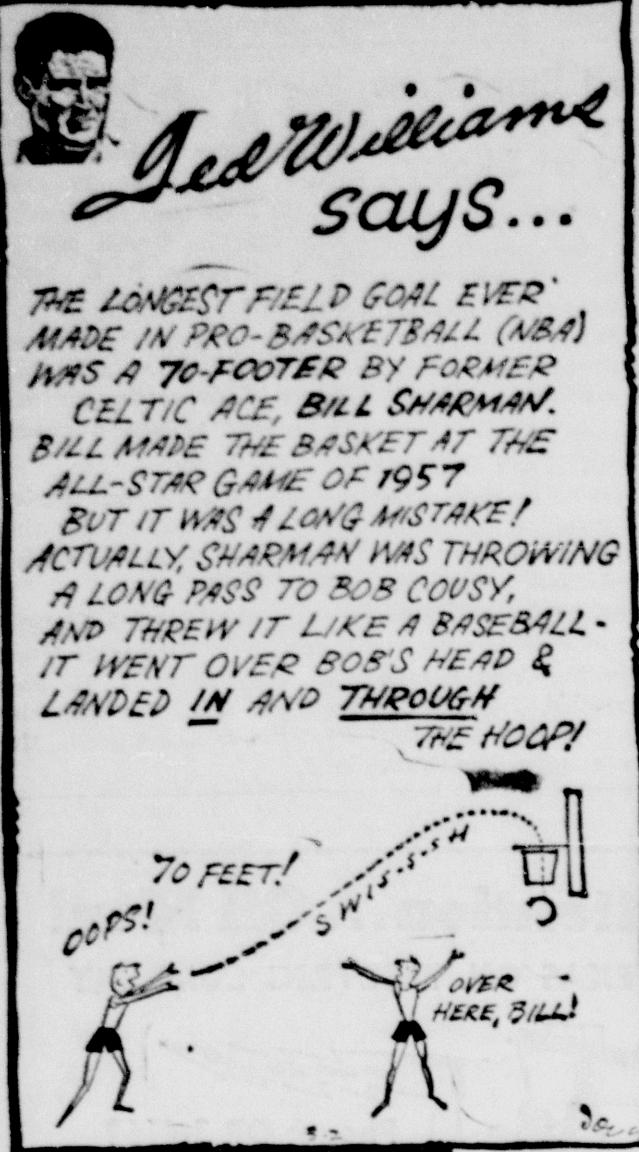

Three incumbents have filed for places on the Jones County Common School District board of trustees. Election will be held Saturday, April 3.

Final day for filing is 30 days before the election and filings may be made with the county judge or county school superintendent.

Seeking additional terms are Otto Sosebee of Anson, Tom Lovorn of Stamford, and J. T. Smith of Hawley.

Mr. and Mrs. Alberto Villereal of Hamlin are the parents of a son born Feb. 23 at 1:01 p.m. He weighed 7 lbs. 9 oz. and was named Gilberto.

If you want to mix business with pleasure

## Neinda Philosopher Sees No Way to Avoid Need for New Zip Code Reading Postal Gadget

Editor's note: The Neinda Philosopher on his Johnson grass farm on Route 1 continues to fight progress, his letter this week indicates.

Dear Editor:

According to an article I read last night, a major breakthrough in the mail delivery system is at hand. The Postmaster General says a new machine finally has been perfected to read the zip code number on an envelope, and in a year's time these machines will be in use in major post offices around the country.

As I understand it, the machine reads the zip code number on an envelope, sorts the mail accordingly, and does it at the rate of 35,000 letters an hour.

I have been thinking about this machine, and while I don't expect to get to see one for some time, after all the Hamlin post office might be a little

hard-pressed to find a use for a machine that reads 35,000 letters an hour, unless Washington ordered Postmaster Perry Sparks to let the letters accumulate over a long period of time, and you know it wouldn't do that, still if a machine can read a long string of numbers written in pencil in longhand, there's no limit to what it can do.

Couldn't it look through the envelope and see what was inside? If so, why haul the letter across the country in the first place. Why not let the machine read it, transmit it to another machine in the town it's addressed to, and drop it in the addressee's mail box?

Understand, I'm in favor of this machine, but making it seems to me is always hunting for a way to whip the results instead of the cause of a problem, which explains why there are a lot more television com-

mercials on how to cure a cold than prevent one. If we're going to flood the mails with more and more letters, certainly we need faster ways to handle the stuff, but a simpler way would be to work on the problem of cutting down on the number of letters in the first place. Mark Twain said he made it a practice never to answer a letter till after six months, and it'd surprise you how few then needed answering.

But we might as well get the postal machine going. It's for the people who believe the answer to the parking problem is more parking, not fewer cars.

Yours faithfully,

J. A.

Mr. and Mrs. Jerry Waggoner and girls spent Sunday in Slaton visiting her sister and family, Mr. and Mrs. O. G. Nieman.

## As It Looks From Here . . .

Omar Burleson, M. C.  
17th District, Texas

WASHINGTON, D. C. . . . The Deficit in the balance of payments between the United States and other nations has previously been discussed in this letter. It continues to be an acute problem which is causing very great concern. A ten-point program has been outlined by the President. Several courses of action call for legislation, while others are to be taken administratively.

Two Things Not Mentioned Could Go A Long Way toward solving our balance of payments. One is to demand the payment of the debts owed us by many foreign nations, and particularly France, which by reason of its demands is aggravating the problem.

Another is To Put To Better Use The so-called "counterpart funds" now lying unused in many countries. These are payments for goods and supplies furnished them in the past under Foreign Aid. These funds can only be used in the country of origin and only for purposes specified.

A Third Remedy Which Was Mentioned in the President's proposal is to buy goods and equipment in the United States which may be used by ourselves and other overseas. This is particularly applicable to petroleum and petroleum products. We could reduce by almost one-half our deficit payments if we purchase only three-fourths of our oil needs from supplies produced in this country. Purchases in foreign countries mainly for military purposes, now are approximately 600,000 barrels daily.

It Is Believed By Scientists that huge quantities of fertilizers and other useable minerals can be recovered from water desalination process. This development could reduce the high cost of desalination to the point of being almost self supporting. At present the cost of producing fresh water

## FHA Title I Loans Prove Popular for Home Remodeling

In 30 years, the initials "FHA" have come to mean dependability in home financing. Many people think of FHA-insured home improvement loans in the same way, and for good reason.

Why has the Title I program proved so popular? There are many reasons. But the main ones are: the program's economy, its simplicity, and its built-in consumer protection.

Financing costs on Title I loans are among the lowest generally available. Moreover, there are no hidden costs, closing costs, or other extras.

The loans are made by banks and other FHA-approved lending institutions. In most cases, the contractor you pick to do the job will arrange for the Title I loan. All he needs is your application. No down payment is necessary, and usually no security other than your signature is taken.

Since most cases require only the lender's approval, generally, you will get an answer to your application in one day.

from salt water is prohibitively high except on an experimental basis.

Many Of Us Have Never Thought of what we would do with excess leisure time. Here is new problem, if it is a problem at all.

Economists Say That The Next Generation's work schedule may be somewhat like this: Work, 20 hours; Sleep, 55 hours; and leisure time nearly 100 hours. This sort of living will bring new shifts of emphasis on the activities of people. In fact, if and when such happens our entire economy will look considerably different than it does today.

The Perry Masons Of Science have implicated some 70 plus viruses as capable of causing the common cold. They say there are still more to be identified. It can be assumed that new viruses will be isolated and that some pill will be found to frustrate their evil doings. On the other hand, as one remedy is found, there must be another remedy to cure the side effects.

A Psychologist Of The University of Chicago has made a study, with the conclusion that the pupils of your eyes dilate when you look at something you like and contract when you see something you do not like. Perhaps further study could be made, experimenting with the ear, so that it could have equal time. Maybe some instrument exists that can pick up a minute wiggle in the lobe which would be an indication of pleasure or displeasure at what we hear.

## Noel Weaver Guest Speaker Sunday

Noel Weaver, laymen of the First Baptist Church here, was guest speaker for the Monahans First Baptist Church Brotherhood breakfast in preparation for the meeting which opened Sunday.

Weaver challenged the group To give God some of your time before God decides to take all of your time, and God expects something from your life.

The breakfast was well attended.

**Use Foil To Reflect Heat**  
Aluminum foil, that all-purpose "Handy Andy" of the camper, can make you an efficient camp oven.

Also, it can double as a fire reflector in cold weather.

Here's how to do it: Drive four 18-inch stakes in a square around your campfire. Leave one side open to stoke the fire and handle the food. Fasten the foil to the stakes to cover the other three sides. Make a top of small, straight, interwoven, green sticks and cover with foil. Secure top to the four stakes.

Foil surfaces reflect heat, creating high, even temperatures even with a small ember.

**Star-spangled key to a home of your own!**

## WHEN HUMAN LIVES BECOME STATISTICS

70 killed!—More than 8,000 injured! You didn't read of this disaster in your local paper. It wasn't there. These killed and injured were working men and women all across the nation who were accident victims on their jobs yesterday. Today they are statistics!

"The toll goes on—every day and at year's end some 16,000 workers have been killed and more than 2,000,000 injured. Time lost by disabling injuries would equal the working time of a million men for a whole year. For the dead there is no time.

About 3 out of every 4 occupational accident victims are workers in smaller plants firms and businesses. In fact, in every job there is some hazard. Slipping on a floor, tripping on a stair or falling from a truck can incapacitate you as surely as some situation which would seem more dangerous. Know your job—know the hazards connected with it—and be prepared to avoid them.

Think before you act—before you expose yourself to danger and accident. Think safely. It's better to be a worker than a statistic!

Prepared in co-operation with the Presidents Conference on Industrial Safety and contributed to the public interest by

# STATE CAPITAL Highlights AND Sidelights

by Vern Sanford

TEXAS PRESS ASSOCIATION

AUSTIN, ... Gov. John Connally passed the first legislative test of his program for improving higher education.

House of Representatives overwhlemingly approved the bill to name an 18-member commission to decide which colleges and universities shall teach what, to assign fields of teaching, and to take over state supervision of academic work in the 32 junior colleges.

There were many amendments to the bill by Reps. Dick Cory of Victoria and Charles Wilson of Lufkin. But none diverted the bill from its original purpose as laid out by the Governor's Committee on Education Beyond the High School.

Schools lie ahead because some strong senators are against such a delegation of powers, or oppose some phases of the bill as passed by the House. Sen. W. T. Moore of Bryan will handle the measure in the Senate. He expects to move it within the next week or so.

Sen. Dorsey Hardeman is opposed to some of Connally's

**REDISTRICTING** ... All bills to reapportion congressional, state senatorial or legislative district will go to standing subcommittee in both the House and the Senate.

Rep. Gus Muscher of Brenham decided to try for objectivity. He picked chairman from opposite sections of the State from the section subcommittees will be studying.

He named Rep. Gene Hendryx of Alpine to the Area I subcommittee handling redistricting of East Texas; Rep. Merton J. Murray of Harlingen to the Area II subcommittee on North Texas; Rep. Red Simpson of Amarillo to the Area III subcommittee on South Texas; and Rep. James Slider of Naples to the Area IV subcommittee on West Texas.

**STATE SUBCOMMITTEE** ... on State Senate redistricting measures is heavy with representation from the western part of the State and the lower Gulf Coast. At the insistence of the committee at large, Sen. Louis Crump of San Saba, chairman of the Senate Redistricting Committee, appointed himself chairman of the study subcommittee.

Then he picked Sen. Dorsey Hardman of San Angelo; Sen. Criss Cole of Houston; Sen. Bruce Reagan of Corpus Christi; and Sen. William T. Moore of Bryan to serve with him.

Senator Crump also will head the congressional redistricting subcommittee composed of Sen. Ralph Hall of Rockwall; Sen. Abraham Kazen of Laredo; Sen. Martin Dies Jr. of Lufkin; and Sen. George Parkhouse of Dallas.

**HOG CHOLERA ERADICATION** ... Representatives of several farm organizations joined members of the Texas Animal Health Commission and the U. S. Department of Agriculture in supporting legislation to regulate hog cholera eradication measures before the Senate Agricultural Committee.

Sen. Andy Rogers of Childress is author of the bill and also chairman of the committee.

Those appearing before the committee were Charles Huff, Farm Bureau Federation; W. M. Burnett, Farmers Union;

E. M. Regenbrecht of Bryan,

representing swine breeders of the Animal Health Commission; and Dr. S. B. Walker, executive director of the commission.

**REGULATORY AUTHORITY BILL RUNS INTO TROUBLE** ... A bill by Sen. Tom Creighton of Mineral Wells to give the State Parks and Wildlife Commission complete regulatory authority over hunting and fishing in all 254 counties ran into temporary

trouble in the Senate when a commercial tourist attractions have formed Texas Attractions Association to assure visitors a fair return on their fun dollar.

About 150 of the State's counties now are under the Commission's jurisdiction. Governor Connally asks that all 254 be included.

**ECONOMY COMMISSION** ... A commission study which experts testified could result in savings up to \$8,000,000 a year in state government operations has House approval and now is in the Senate.

Called the "Little Hoover Commission," the survey is aimed at achieving "economy and efficiency" in the executive branch of the government.

Rep. Dick Cory of Victoria is the author.

**TB PROGRAM URGED**

House and Senate committees heard convincing arguments that tuberculosis can be eradicated in Texas within a decade through new drugs and treatment method and on intensive program of care, case-finding and follow-up.

Senate Public Health Committee immediately approved setting the program in motion in a group of south-central Texas counties around San Antonio and Mexican border counties from El Paso to Brownsville.

House Committee placed the bill in a friendly subcommittee for a week's study.

Plan would call for State Department of Health to take over all hospitals and consolidate the entire program in a special division. Contract care of patients near their homes where possible is an important part of the program.

**OIL** ... Oil production will be down a bit in March. Railroad

Commission cut allowables 11,000 barrels a day after hearing discouraging forecasts of need for Texas oil during the month.

Oilmen got House committee approval of the oil and gas pooling bill backed by several oil associations. Strong opposition had been voiced by the Texas Farm Bureau, but the committee approved it with only Rep. Amando Canales of San Diego opposing the vote.

Rep. Wayne Gibbons of Breckenridge hopes to get it through the House this week.

It was passed by the Senate two weeks ago.

In simple terms, the bill

would allow landowners or leaseholders who do not have enough land to obtain a drilling permit from the Railroad

Commission to get the Commission to order adjoining operator

to bring the small tract into a pool like owners of large tracts

can force the pooling of small tracts for oil and gas development.

**TOURIST BOOSTERS ORGANIZE** ... Representatives of

commercial tourist attractions have formed Texas Attractions Association to assure visitors a fair return on their fun dollar.

Claude Cox of Arlington is president; James T. (Happy) Shahan of Brackettville, vice president; and Raymond Czichos, Wimberley, secretary-treasurer. Board of directors includes Don Russell of San Marcos, Tom Bolton of Dallas, and Karl O. Wyler Sr. of El Paso.

Governor Connally in a speech to the Texas Tourist Council called on Texas businessmen to help develop new attractions and boost existing ones.

**COTTON** ... Legislation by Sen. Jim Bates of Edinburg and Rep. Merton Murray of Harlingen to restore the pink bollworm control law to full effectiveness is nearing final passage.

Agriculture Commissioner John C. White asked for the bill, changing an "and" to an "or". Cameron County court declared the present law invalid, after 40 years of enforcement.

**UCRA MAY EXPAND** ... Rep. Forrest Harding of San Angelo

will offer a bill permitting 10 West Texas counties to vote on creation of an enlarged Upper Colorado River Authority.

Counties are Tom Green, McCulloch, Menard, Schleicher, Concho, Coleman, Runnels, Irion, Coke and Sterling.

**SHORT SNORTS** ... A 40-member delegation from the Edinburg Chamber of Commerce met with Lower Rio Grande Valley legislators and offered what its chairman called "practically unanimous" backing to

legalized horse race betting and the sale of miniature bottles of liquor in restaurants.

Rep. Roy Arledge of Stamford has a bill proposing that organizations of state employees, such as the Texas Public Employees

Association and the Texas State Teachers Association, be required to make financial reports to the state and to their member.

Jess Erwin of Austin has been named executive director of the board for Texas State Hospitals and Special Schools to replace Raymond W.

Vowell, who now is director of federal and state agency affairs for The University of Texas.

House of Representatives welcomed newly-elected

member John Mobley of Kilgore and Neal Solomon of Mount Vernon even before election returns were officially certified.

Adjutant General Thomas S. Bishop will attend

March 3 meetings in Washington to receive information as to type and number of National

Guard units which will be offered Texas under Guard-Army Reserve merger.

Army Reserve merger.
